Note: Also available are irregular products according to customers' specific demands.

Anmerkung: Auch sind Produkte lieferbar nach den Anforderungen des Kunden.

Plastic Magnetic Plate

shape	Length (mm)	width (mm)	Thickness (mm)	note
shape of plate	optional length	5-450	0.4-5	width & thickness can be made according to customer's demands, but width is generally no more than 450mm

Note: Also available are irregular products according to customers' specific demands.

Form	Länge (mm)	Breite (mm)	Stärke (mm)	Anmerkung
Form der Platte	Nach Angaben	5-450	0.4-5	Breite und Stärke können nach Kundenwunsch angefertigt werden, jedoch nicht größer als 450mm.

Anmerkung: Auch sind Produkte lieferbar nach den Anforderungen des Kunden.
